

CRN Approval Sheet

Refrigeration Ball Valves

The Canadian Registration Number (CRN) is a number issued by each province or territory in Canada by an authorized safety authority for any boiler, pressure vessel or fitting that operates at a pressure greater than 15 psig (1 barg). The CRN identifies that the design has been accepted and registered for use in that province or territory.

All NDL Refrigeration Ball Valves are CRN approved, you can find a list of our CRNs below:

Alberta: 0C21331.52

British Columbia: 0C21331.51
